Signature Programs

The Gathering Place is a 3.5 hourly highly engaging program specifically for an individual with early to moderate Alzheimer's, related Dementia or memory loss. Planned activities strengthen motor and social skills through games, music, crafts, lunch and socialization. Family caregivers receive 3.5 hours of respite care support while their loved ones attend each Gathering Place.

Second Family is a home-bound program that helps individuals living with memory loss or other challenges due to aging. An extended family of trained volunteers offers support and companionship for home-bound individuals who belong to a partnering congregation. Family caregivers receive respite care support through second family.

Common Ground is a support group for family caregivers offering emotional support, encouragement, friendships and helpful tips about self-care and caregiving. Family caregivers caring for loved ones with Alzheimer's, related Dementia, memory loss or other challenges due to aging may join this monthly support group.

Caregiver Conferences are educational events that connect family caregivers with education and community resources on how to provide quality care to their loved one.

Join the Care Movement!
