About CarePartners

Founded in 1986, CarePartners is a nationally recognized nonprofit organization providing high-quality care for older adults and people with dementia, as well as their caregivers.

CarePartners bridges the gap between healthcare and social services by offering programs across Greater Houston which support caregivers' physical and mental health while accommodating their loved ones' needs, interests, and abilities.

Since the agency's founding in 1986, CarePartners' volunteers have delivered more than 3 million hours of free care representing \$83.7 million.
