Welcome!

Welcome to CarePartners Dementia Day Center. We are excited that you are considering our services and we hope we are able to meet your needs. To begin enrollment, please complete this enrollment packet to the best of your ability. If you are unsure of a question, do not let this discourage you. You may contact a staff member for clarity.

In this packet you will find a Physician's Orders form. This form must be completed by a doctor and should state a diagnosis of dementia or a related disease that causes memory impairment. We also require that members have a TB skin test within the last year. You may elect to have the physician fax the results and Physician's Order form to the Day Center upon completion, However, the form and the TB skin test must be done before a member may enroll at the Center.

Please complete the following packet to begin the enrollment process. We are available to answer any additional questions or provide further information. Again, welcome to CarePartners Dementia Day Center!

Field Trip Agreement

The CarePartners Dementia Day Center likes to enrich our program by scheduling neighborhood outings, or field trips, for appropriate participants. Examples of such outings include excursions to museums, the arboretum, special attractions, window-shopping, or picnics in the park. The participants taken for each field trip will be chosen according to their abilities and interests. These field trips from the Day Center will be posted on the monthly calendars as "Van Adventures".

The group size for each field trip will usually be up to 9 participants and at least 2 staff members. When we can charter a larger vehicle, some field trips may allow more participants to attend. Some participants may need to be excluded from field trips due to their inability to leave the Day Center's secure and familiar environment. **Field trips are usually scheduled between 9:00 a.m. and 3:00 p.m. and families have the option to be notified before the field trip occurs**.

In signing this agreement, you are releasing CarePartners and CarePartners Dementia Day Center from any liability for any injuries incurred during our field trips. The Day Center staff will carefully supervise all members and will do everything possible to protect their health and safety.
